

What's included in the Learn2Book package?

- The software and a licence for 20 computers (if you require information on additional or multi-campus licences, please email us)
- Complementary disks for teaching staff, which can also be used at home.
- A Start-up guide
- A Tutor's Welcome Guide
- A 232 page Student Handbook which includes Quick Start Guides, Quick Reference Guides and a range of Learn2Book guides, as well as all the Customer Enquiry Forms and Booking Forms your students will require to complete the course.
- A 35 page Tutor's Guide, including completed Customer Enquiry Forms for all of the customer enquiries in Learn2Book as well as solutions for all assessments.
- A full colour Parasol Holidays Summer Sun brochure. This brochure copies well in black and white. Holders of a Learn2Book licence can also use this brochure in any Travel classes and as it has no date on it, there is no need to update your teaching material year-on-year.
- A Student Certificate. This certificate also contains the logo of the Travel Training Company (TTC) - the leading supplier of high-quality training to the UK travel industry. We can also arrange to put your college logo on the Learn2Book certificate.
- Email support

...and you can

- Use Learn2Book with as many enrolled students as you wish
- Use Learn2Book commercially
- Embed Learn2Book within your curriculum as a course enhancement
- Use Learn2Book as a stand-alone course

... and most importantly

- You can sit back and watch your students' confidence and employability grow!
